

INTEGRIT-E Annual Collaboration Conference

Sponsorship Package

Building the City of Inclusion Across Mississippi, Tennessee, and Arkansas

Sponsor the INTEGRIT-E Annual Collaboration Conference, in partnership with the DRIVE pilot program, set to take place on June 17-18, 2024, at the FedEx Institute of Technology in Memphis, TN.

This event unites eight small towns from the Mississippi River Delta region, all striving for sustainable economic growth. Despite varying populations, ranging from under 1,000 to just over 10,000 residents, these communities share a profound pride in their history and cultural heritage.

At this premier gathering, stakeholders collaborate to address societal challenges through discussions, workshops, and networking opportunities.

Showcase your commitment to community development and contribute to transformative change by becoming a sponsor. For sponsorship details, please contact Shnesa Wiggins at scwggns1@memphis.edu or by phone at (773) 808-9870.
